

Dear Partner,

We are delighted to introduce Smartbudgets USA as a provider of premium Sport Utility Vehicles (also called jeeps in some countries) with American specifications at huge discount.

Our business is based on the cost effective philosophy of low pricing, high quality, availability and variety.

Concept

Jeeps/Sport Utility Vehicles, millennium models at significant discount based on your budget.

Mission

Making the affordable available for people around the world outside the United States without compromising quality.

Vision

To work towards making SUVs/Jeeps of US specification affordable across the globe.

Smartbudgets USA is a resolve to make these vehicles especially pre-owned jeeps affordable within the customer's budget. **We carry accident free, no salvaged, and no insurance reject vehicles.** We conduct a thorough investigation using the Carfax or Autocheck databases. Included in our investigation is the use of our world class diagnostic scan tools in ensuring that we sell certified vehicle. Therefore, you can buy from Smartbudgets without any worries. Our mid and long term goal includes strategic growth through global franchising with attention to the emerging economies. The cost benefit analysis for owning a quality jeep/suv from Smartbudgets includes the following;

- **Bad roads, flood & road clearance**
- **Pre-acquisition certification**
- **After sales care advisory**
- **Leg room and comfort**
- **Value for exchange**

Smartbudgets USA offers convenient ownership through

- Structured financing
- Budget based purchase
- Lay-away purchase plan
- Special order with deposit
- Parts & Procurement
- Post sale services
- Acceptance of credit cards, wire, letter of credit & direct deposit

We bank with major financial players in the USA with global reach, **Bank of America, HSBC & Citibank.**

Our vehicles are displayed on the web at www.smartbudgetsusa.biz. More information is available through smartbudgets@aol.com or by phone @ 301-523-0750/301-326-6874 using the USA code.

Sincerely,
Ronke Ibirogba

Chief, Global Operation
